

KANITA FOČO

JUNIOR SOFTWARE ENGINEER

Sarajevo, BiH • +387-61-819-430 • focokanita@gmail.com • [LinkedIn](#) • [GitHub](#) • [Portfolio](#)

- Motivated junior software engineer and third-year Information Technology student with hands-on experience in full-stack web development and UI/UX design.
- Skilled in building RESTful web applications, implementing authentication and authorization, and creating user-centered interfaces using modern technologies.

PROJECTS

Shoe Shop Web Application (Full-Stack)

- Developed a full-stack shoe shop web application with a RESTful backend and a single-page frontend.
- Implemented JWT authentication, role-based authorization, and full CRUD operations using PHP (FlightPHP), MySQL, and JavaScript, following MVC and DAO architecture principles.

Frontend Development (React & SPA)

- Developed responsive web applications using ReactJS, Material UI, HTML5, and CSS3, including a Single Page Application with multiple views (About, Music, Tours, Contact).
- Focused on reusable components, client-side routing, clean layouts, accessibility, form validation, and smooth navigation across devices without page reloads.

Interface Design using Figma (CashHaven & SmartDorm)

- Designed and prototyped user interfaces in Figma for multiple projects, focusing on usability, clear user flows, and consistent visual structure.
- Created interactive prototypes with desktop and mobile versions, including animations, components, and custom styling for user-centered design.

EDUCATION

- Bachelor's Studies in Information Technology
3rd Year Student -
International Burch University

AWARD

- Sarajevo Unlimited - Award for Innovative Idea and Entrepreneurship (SkillSpark)

SKILLS

- **Programming Languages:** Java, JavaScript, SQL, HTML5, CSS3
- **Frameworks & Libraries:** React, Node.js, Bootstrap, jQuery
- **Backend & API Development:** PHP (FlightPHP), REST APIs, JWT Authentication, CRUD Operations
- **Tools & Technologies:** Git, GitHub, Swagger (OpenAPI), Figma
- **Databases:** MySQL, DBeaver
- **Software Architecture & Design:** DAO Pattern, Service Layer Architecture, SPA Principles

OTHER

- "INN & TECH" - Conference on Innovation and IT

LANGUAGE

- English
